► Speaking Topics:

IDENTIFIED: Knowing Who You Are in Christ & Moving Forward in Your Purpose

Derived from her book, "IDENTIFIED: Knowing Who You Are in Christ & Moving Forward in Your Purpose," Courtayne speaks to women about truly embracing who God created them to be and how to walk in their life purpose from a biblical and practical perspective.

Servant Leadership for Today's Christian Woman

Today, more and more women are becoming leaders in the church, ministry, and in the workplace. Courtayne talks to women in leadership or those who are preparing to go into a leadership role on how to lead like Jesus and how to care for those entrusted to them with grace, love, concern, and servant hood. She also talks about setting realistic goals, while creating a healthy balance between work, ministry, and the leader's home and personal life.

Writing and Speaking for God

Writing is a gift, and so is speaking. However, with both of these gifts, there are ways to do it effectively and non-effectively. Courtayne speaks to women about how to write and speak for God with sensitivity to the Holy Spirit's direction, while trusting God through every step of the preparation process. She also talks about how to write a blog, book, ghostwrite (i.e. writing for someone else), and how to prepare and handle the open doors, opportunities, and spiritual warfare that comes with doing what God has called them to do.

God is calling women all over this globe to step out in faith and turn this world upside down for Jesus Christ, just as the early church did in the Book of Acts! Jesus is coming back soon and it's time to spread the gospel like never before. Once women KNOW who they are in Christ, that's when they can walk in the power of the Holy Spirit and prepare to move forward in their purpose. It's time for women to rise up and make their thumbprint in the world for Jesus Christ and be IDENTIFIED!

This book will help women...

- See the urgency and importance of knowing who they are and walking in their purpose in these last days
- Identify and give them practical tips on how to utilize their God-given gifts & talents effectively
- Get the momentum and motivation they need to operate in their calling successfully
- Recognize and handle spiritual attacks quickly as they move towards doing what God has commissioned them to do
- Conquer doubt, insecurity, and fear
- Be equipped to carry out God's plan for their lives
